

The Livery Pictures Book of the Masters and Consorts of the Livery Companies of the City of London and the Regions

December 2023

Alderman Professor Michael Mainelli
The Lord Mayor

Elisabeth Mainelli
The Lady Mayoress

As the 695th Lord Mayor of the City of London, I am pleased to write the foreword for this year's Livery Pictures Book of the Masters & Consorts of the Livery Companies of the City of London & the Regions.

This annual Pictures Book is an invaluable aid to all of us as we share our year together. It helps unite us in Commerce, Community, and Charity, and saves us the embarrassment we all feel when we struggle to put names to faces.

As leaders of the 50,000 strong livery movement, you know the importance of connections. Hence, my theme for the year is "Connect To Prosper", celebrating the Knowledge Miles of our Square Mile, the World's Coffee House. We are connecting via a series of online webinars, the Lord Mayor's Knowledge Miles Lecture Series, Coffee Colloquies at Mansion House, and a VeraCity webapp. We have initiatives on mental health, ethical AI, space protection, constructing science, and smart economy networks. But that's business, so we hope to see you at a variety of functions, with a few charity auctions as well.

We intend to use this year to promote the livery in all its roles, volunteering, charitable giving, and pan-livery initiatives to help our City, London, and the nation generate wealth, improve our business and natural environment, and share prosperity. Please do call upon me wherever and whenever you feel that the convening power of the Mayoralty or Mansion House can help you achieve your livery's objectives.

Elisabeth and I look forward to working alongside all Livery Masters, Mistresses, and Consorts in 2023. The Lady Mayoress and I send you all our best wishes, and we hope to connect with as many of you as possible during our time in office.

Anne Somers
Chairman
Livery Pictures Committee

As we welcome in a new Lord Mayor and Lady Mayoress, we wish Michael and Elisabeth Mainelli every success for their year.

This book reflects all the changes in Master and Consorts that have been notified to us up to the year-end 2023, but please do visit www.liverypictures.com for regular updates as they change throughout the year.

On the back cover of this edition, we have provided a guide on how to bookmark the website on your mobile devices, so you can use it easily when you are out and about.

We work hard to ensure that www.liverypictures.com is as up to date as possible, so please do remind your next Master, or Prime Warden, and their Consort to send us their photographs before their year commences. This will ensure we can update them immediately after installation. These should be sent to info@liverypictures.com

Once again, the City Livery Club has kindly agreed to sponsor this publication. It would not be possible to produce without their ongoing support, for which we are very grateful.
