Masters of Livery Companies 2011/12

The liverycompanies.com website has been collecting photographs of 2011/2012 Masters since it was started in November 2011. This website is an initiative of Piers Nicholson, the current Master of the Worshipful Company of Tylers and Bricklayers.

The Ironbridge Gorge Museum Trust kindly agreed to distribute this leaflet to all Master attending the Ironbridge Livery Weekend 2012.

The brochure includes pictures of 84 Masters. We are hoping to get in photographs of the others in due course, and may then issue a further version of this leaflet.

If you have found this leaflet useful, we would much appreciate it if you would put a link to www.liverycompanies.com on your Company's website. A draft form of words is at the foot of this page.

The brochure includes pictures of 84 Masters. We have taken as much care as was possible in the very limited time scale to prepare this leaflet; we apologise for any errors and would appreciate your notifying us at info@liverycompanies.com with a heading "Correction needed to Company".

We are hoping to get in photographs of the others in due course, and may then issue a further version of this leaflet.
