This book reflects all the changes in Masters, Prime Wardens and Consorts that have been notified to us up to the end of May 2025, but please do visit www.liverypictures.com for regular updates as they change throughout the year.

On the back cover of this edition, we have provided a guide on how to bookmark the website on your mobile devices, so you can use it easily when you are out and about.

We work hard to ensure that www.liverypictures.com is as up to date as possible, so please do remind your next Master, or Prime Warden, and their Consort to send us their photographs before their year commences. This will ensure we can update them immediately after installation. These should be sent to info@liverypictures.com

Once again, the City Livery Club has kindly agreed to sponsor this publication. It would not be possible to produce without their ongoing support, for which we are very grateful.
